

*We are a leads and referrals generating group made up of area business people building professional relationships through networking and personal testimonials!*

You are receiving this information packet because one of our members believes that you would make an outstanding member to our organization with your contributions. LEADS Group Mahoning Valley's purpose is to work together to help build business for its group's members through:

- (1) Buying goods and services from other group members, and
- (2) Referring family members, friends, and business associates to other members.

We're excited about the opportunity to help you build your business. If you join our group, you can count on our members to look for opportunities to become your customers and to refer their contacts to you. In return, our members will be very pleased to welcome you and your contacts as their customers.

Membership in our group is a privilege, and an exclusive one. This is an exclusive group that will not be replicated in this county. If you are accepted as a member, we will never accept another member that competes with you. This principle reflects our group's genuine interest in helping our members succeed. This is the only LEADS Group Chapter in Mahoning County.

We meet every other Friday at Denny's in Boardman across from the Boardman Plaza on Route 224. I would like to personally invite you to our next meeting on Friday **JUNE 26** starting at 8:00am. This is your opportunity to learn more about the organization and find out if you would be interested in generating a steady source of referral business for your company.

Our President is Ron Nanosky (330-758-3339) and our Secretary/Treasurer is Joshua Aikens (330-501-9948). We will be happy to assist you in your decision making process to join the group. Please give any of us a call if you have any questions. You can also visit our website at [www.leadsgroup.org](http://www.leadsgroup.org) for more information.

Sincerely,

LEADS Group Mahoning Valley
